Task 2 – Ordering From A Catalogue

Here is the plan of a bedroom. It is drawn using a scale 2cm represents 1m.

By measuring the picture answer the following questions:

- i) How wide is the door?
- ii) How wide is the window?
- iii) What are the dimensions of the fitted Wardrobe, if it is 2.5m high?
- iv) What are the dimensions of the room?

Make a copy of this bedroom for yourself onto square paper.

You need to buy some furniture for this bedroom. You have a budget of £500, which you cannot go above - you do not have to spend the full amount, but you cannot over spend.

You must buy:

- a) A bed
 - b) A computer workstation
 - c) A chair
 - d) A filing cabinet or shelving unit
1. Use the catalogues provided to decide which products you are going to buy.
 2. Complete the order form, making sure that you include full product details and the VAT payments.
 3. Make scale drawing of the products you have decided to buy, using the same scale as you did for the bedroom (2cm represents 1m).
 4. Cut out the drawings in part and fit them into the bedroom.
 5. Stick the furniture into the bedroom plan.

Fill the following cheque as payment for your order.
